12 February 2019

Dear Parents & Guardians,

## **Invitation to High Achievers Forum - Wednesday 6 March 6pm to 7pm**

I have invited the Marist College North Shore 2018 High Achievers to address our parent Forum on Wednesday 6 March at 6pm until 7pm. Your son is most welcome to attend, he need not wear his school uniform.

We have held these meetings each year and I always leave them inspired by the determination and great work ethic of these young men.

The format of the evening is very simple. I will interview the boys about their study methods and work/life balance. There will be time for you or your son to also ask questions. There will also be time at the end to speak to these boys individually.

The Forum will be held in the Academic Resource Centre (Library). This is the same night as our Parent and Friends meeting and I encourage you to consider attending both.

Please RSVP via this [link](#) and type the following event code **h5nzj** by Friday 1 March.

Yours sincerely,

**Tony Duncan**  
**Principal**
