05 August 2020

Dear Parents/Guardians,

Marist College North Shore is now a registered COVID Safe Business. We remind students to be hyper-vigilant about hygiene and cleanliness and will continue undertaking all measures to ensure the health and safety of our community. We ask for your support in this by not sending your son/s to school if they are unwell.

We also remind you that parents are not allowed on site unless they have an appointment or are assisting in the school canteen or uniform shop. Should any parents be onsite, please enter the school through the front office to promptly sign in. We ask parents not to wait in the reception area for any reason.

A reminder that parents are not required to come into the office to collect students for appointments. Should students need to leave school for any reason during the day, they must follow the correct procedure. Students should have a note signed by their parents in their student diary. This note must then be signed by their House Coordinator. Students must present to Student Services with their signed note to leave.

Thank you for your cooperation as we continue to try to keep our school community safe in these difficult times.

Yours sincerely,

Brigid Taylor
Acting Principal
