Dear Parents and Guardians,

RSA and RCG Delivery

The College is now able to confirm the arrangements for the delivery of both the *Responsible Service of Alcohol* [RSA] and *The Responsible Conduct of Gaming* [RCG] courses. The timing for these courses is as follows:

RSA

- Group 1 Thursday 24 September
- Group 2 Friday 25 September

RCG

- Thursday 17 September commencing at 12.30pm.

Students will remain in their already allocated groups for the RSA date options and these will be emailed to the students.

Given the time delay in this reorganisation, if students no longer wish to participate in either of these courses, refunds available. If this is your intention, please contact the College at accounts@maristns.catholic.edu.au before 1 September in order to activate the return of monies paid. In the email, please clearly state your son's name and the amount owed together with your refund option.

There are TWO options available for the payments made.

- A credit is given on any outstanding College fees.
- Or**
- A refund given via an EFT transfer. If this option is selected could you please provide the BSB and account number, account name, email of the parent.

Thank you for your patience and understanding on this matter.

Yours sincerely,

Mrs Nicola Brown
