26 August 2020

Dear Parents and Guardians,

From the start of Term 4 the uniform shop will no longer be located on site. Noone, who has designed our new uniform, will take existing stock and this will be sold via their Chatswood store or online. Further information regarding how to purchase from Noone directly will be emailed to parents at the end of this term.

Parents are strongly advised to purchase any uniform pieces they require from the current uniform now. Whilst Noone will replenish basic uniform items such as trousers and shirts up until the start of 2022, items such as the blue jumper will not be replenished once stock has run out. It is suggested that if your son needs a piece from the current uniform or will next year that you purchase that item in Term 3. We are now offering items at discounted prices, a revised price list can be found [here](#).

It is an expectation of the College that our current Year 10 cohort will be wearing the new uniform in Term 1 2021. Other year groups are welcome to purchase and wear the new uniform from Term 1 2021. **Please note the new uniform cannot be mixed with the current uniform.**

I thank you for your support in the implementation of this new uniform. If you have any questions, please do not hesitate to contact the College.

Yours sincerely,

Ms Brigid Taylor
Acting Principal
