Dear Parents and Guardians,

I am writing to draw your attention to some important forthcoming dates for your diary. The final day of **Term 3** is **Thursday 24 September 2020**.

As you would be aware, the conclusion of Term 3 culminates with the Graduation of our Year 12 cohort. The Graduation Assembly is one of the most important days on our Calendar however, due to restrictions, Graduation will be celebrated a little differently this year. Despite this, it is still a day where the entire school community says farewell to our Year 12 students and thanks them for all they have contributed to our College. It is an expectation that all students attend on this day; it is a day that promotes the *Family Spirit* of our Marist community and is hugely important in the lives of our Year 12 young men, as it will be for all our young men in the future.

Some of the scheduled events below will only proceed if restrictions are lifted.
