

28 October 2020

Dear Parent/Guardian,

This note is to inform you that all Year 9 students have the opportunity to register and participate in the Duke of Edinburgh International Award in 2021 through Marist College North Shore. This is a wonderful opportunity for young people and will in turn, open up more opportunities into the future. The Duke of Edinburgh Award helps to build character in students through the development of confidence, resilience and organisational skills.

Award Requirements

The award involves 4 main sections that need to be logged into the participant's online record book:

Activity	Requirements
Physical Recreation	<ul style="list-style-type: none">• Average of 1 hour per week for a minimum of 3 months• One of the three activities must be 6 months
Skills	
Voluntary Service	
Adventurous Journey	1 Practice Journey and 1 Qualifying Journey: 2 days + 1 night (subject to change due to Covid-19 Restrictions)

To find out more about the requirements for each section please watch the recorded [presentation](#) on **The Duke of Edinburgh Award**.

The Adventurous Journey

The Adventurous Journey section will be organised through the school by an outside agency. Students will be required to complete a practice and a qualifying journey; 2 days/1 night for Bronze participants. However, with COVID-19 restrictions, this has been adapted for 2020 and may continue into 2021. This is reassessed by the NSW Department of Sport month by month. Each journey may cost about \$100 per day; more details about the Adventurous Journey will be confirmed next year and one of the journeys may be incorporated into Year 9 camp to cut costs and planning.
