Dear Parents/Guardians of Year 10 2021,

I am writing to inform you of the changes that will occur next year in terms of the class structures that exist in English.

In consultation with the College Leadership Team and English staff, it has been decided that in 2021 the Year 10 Newman English class will be expanded to include students who have achieved to the level of the current Newman class based on school assessment results. There will be two classes, 10.4 and 10.5, where appropriate provisions and enrichment will be provided to challenge and engage the students as we do with all students.

Ms O'Brien (Newman Coordinator) and I have worked closely together in order to ensure that the balance in these classes are best in creating an effective, supportive and challenging learning environment. This change also occurs because of the need to prepare all of Year 10 2021 for their Preliminary HSC and HSC English courses. In doing so, we hope to see students placed in the right English course, either Standard or Advanced in Years 11 and 12.

If your son has been allocated to 10.4 or 10.5 I will be informing him directly this week in order for the correct textbooks to be purchased next year.

Should you have any concerns or queries please do not hesitate to contact me here at the College on 9957 5000 or via email at candice.green002@syd.catholic.edu.au.

Yours sincerely,

Ms Candice Green
Leader of Learning - English
